1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy through property owned at _____ Columbia, SC.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Dominion Energy's proposed net metering tariff request will increase the basic monthly charge for solar customers more than 100% to \$19.50/month, add a monthly subscription fee of \$5.40/kW, and significantly reduce the compensation paid for excess electricity generated by customers. These rate changes combined will result in an estimated ANNUAL cost increase of \$750 or more. This will make it financially infeasible for me to install solar panels on my property.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No.
